43800 Dengkil, Selangor,  
Malaysia.

Dear Sir,

**SCIENTIFIC FACTS OF PRODUCTS INTEGA INDUSTRIES SDN. BHD.**

Respectfully referred to above.

2. Based on all the Certificates of Analysis that have been carried out for the "INTEGA H2Oud Mango & Blackcurrant Agarwood Botanical Drink" and "INTEGA KaolinOud Blueberry & Sparkle Body Wash", we found that the products that have been produced with high quality grade via orderly and systematic process.

3. We conclude that the "INTEGA H2Oud Agarwood Botanical Drink" product:

- I. Safe to drink because it is free of heavy metals and harmful microbes.
- II. Proven pure because it is free of Porcine DNA.
- III. Has high health value due to the presence of microbial and fungi functionality required by the body.

4. For "INTEGA KaolinOud Body Wash" products:

- I. Safe to use on the skin because it is free of heavy metals and harmful microbes.
- II. Proven pure because it is free of Porcine DNA.
- III. The combined formulation of kaolin white clay water extract with agarwood is 99.99% effective in killing harmful bacteria and germs without damaging the skin.
- IV. To maintain skin health naturally.

5. In relation to the above, we believe the innovative product based on agarwood has great potential and opportunities in the local and international markets.

Thank you.
